The screenshot displays the InCites Essential Science Indicators web interface. At the top, a navigation bar includes links for 'Web of Science', 'InCites', 'Journal Citation Reports', 'Essential Science Indicators', 'EndNote', and 'Publons'. The 'Essential Science Indicators' link is highlighted with a red box. Below this, the 'InCites Essential Science Indicators' title is shown alongside the 'Clarivate Analytics' logo. A secondary navigation bar contains 'Indicators', 'Field Baselines', and 'Citation Thresholds'. The 'Indicators' tab is active. Below the navigation, there are icons for download, print, and share. The main content area is titled 'Top Papers by Research Fields'. On the left, there is a 'Results List' section with a dropdown menu set to 'Research Fields'. Below it is a 'Filter Results By' section with a note: 'Changing the filter field removes all current filters.' and an 'Add Filter »' button. At the bottom left, there is an 'Include Results For' section with a dropdown menu set to 'Top Papers'. The main visualization is a world map titled 'Map View by Top / Hot / Highly Cited Papers', with a 'Hide Visualization' button. The map shows a color-coded distribution of top papers across the globe, with North America and Europe appearing in darker shades of green, indicating higher citation counts.
